

Periódicos disponíveis somente on-line

1 . REVISTA BRASILEIRA DE COMPUTAÇÃO APLICADA

The Brazilian Journal of Applied Computing (RBCA) is edited under the responsibility of the Postgraduate Program in Applied Computing (PPGCA) of Passo Fundo University and published by UPF Publishing House.

<https://seer.upf.br/index.php/rbca/index>

2. JOURNAL OF INFORMATION SYSTEMS AND TECHNOLOGY MANAGEMENT

Journal of Information Systems and Technology Management is a free online international journal promoting the study of information systems and technology management. Published every four months.

<https://www.revistas.usp.br/jistem>

3. JOURNAL OF COMPUTER NETWORKS AND COMMUNICATIONS

Journal of Computer Networks and Communications is a peer-reviewed, Open Access journal that publishes original research and review articles in all areas of computer networks and communications.

<https://www.hindawi.com/journals/icnc/>

4. JOURNAL OF INTERNET SERVICES AND APPLICATIONS

The Journal of Internet Services and Applications (JISA) focuses on networking, communication, content distribution, security, scalability, and management on the Internet. Coverage focuses on recent advances in the state-of-the art of Internet-related Science and Technology.

<https://sol.sbc.org.br/journals/index.php/jisa/>

5. JOURNAL OF COMPUTER SCIENCE

Journal of Computer Science has focus on high-impact computer research. It includes several areas of Computer Science, Information System and other related areas.

<https://thescipub.com/jcs>

6. JOURNAL OF INTEGRATED CIRCUITS AND SYSTEMS

The Journal of Integrated Circuits and Systems is published through Special Issues on subjects to be defined by the Editorial Board. Special issues will publish selected papers from both Brazilian Societies annual conferences, SBCCI - Symposium on Integrated Circuits and Systems and SBMicro - Symposium on Microelectronics Technology and Devices.

<https://jics.org.br/ojs/index.php/JICS>

7. REVISTA BRASILEIRA DE ENSINO DE CIÊNCIA E TECNOLOGIA

The journal's mission is to disseminate research focusing on the teaching-learning process, resulting from a reflective, critical, and innovative action for the professional practice of educators, assisting in the production of knowledge and new pedagogical strategies.

<https://periodicos.utfpr.edu.br/rbect>

8. JOURNAL OF ARTIFICIAL INTELLIGENCE RESEARCH (JAIR)

The Journal of Artificial Intelligence Research (JAIR) is dedicated to the rapid dissemination of important research results to the global artificial intelligence (AI) community. The journal's scope encompasses all areas of AI, including agents and multi-agent systems, automated reasoning, constraint processing and search, knowledge representation, machine learning, natural language, planning and scheduling, robotics and vision, and uncertainty in AI.

<https://www.jair.org/index.php/jair>

9. JOURNAL OF INTERNET SERVICES AND APPLICATIONS

In a world moving rapidly online, and becoming more and more computer-dependent, the Journal of Internet Services and Applications (JISA) focuses on networking, communication, content distribution, security, scalability, and management on the Internet. Coverage focuses on recent advances in the state-of-the art of Internet-related Science and Technology.

10. REVISTA BRASILEIRA DE INFORMÁTICA NA EDUCAÇÃO - RBIE

The Brazilian Journal of Computers in Education - RBIE, created in 1997, is a publication maintained by the Special Committee on Computers in Education, of the Brazilian Computer Society in partnership with researchers and universities from Brazil and abroad. The journal seeks to gather and publish works of excellence carried out by professionals and researchers in the area of Computers in Education. It seeks to disseminate the tools, methods and practices that help in the effective use of technology in the teaching and learning process.

12. . REVISTA DE COMPUTAÇÃO E TECNOLOGIA DA PUC-SP

The ReCeT Scientific Journal is a technical-scientific periodical published semiannually, with the mission of disseminating scientific knowledge in the areas of Computing, Informatics, and related fields. <https://revistas.pucsp.br/ReCET>

13. REVISTA DE INFORMÁTICA APLICADA – JOURNAL OF APPLIED COMPUTING

The Journal of Theoretical and Applied Informatics - RITA, is edited under the responsibility of the Institute of Informatics at the Federal University of Rio Grande do Sul, and aims to publish works that showcase the state of the art and trends in the field of Informatics and its applications. It also serves as a forum for discussions of projects under development in universities and research centers, as well as their results and application perspectives.

https://seer.uscs.edu.br/index.php/revista_informatica_aplicada

14. TEMA – TENDÊNCIAS EM MATEMÁTICA APLICADA E COMPUTACIONAL

The TEMA - Trends in Applied and Computational Mathematics journal publishes original articles with innovative and/or relevant contributions to the field of Applied and Computational Mathematics.

<https://bibliotecas.ufu.br/portal-da-pesquisa/periodicos/tema-tendencias-em-matematica-aplicada-e-computacional>

15. IEEE TRANSACTIONS ON PARALLEL AND DISTRIBUTED SYSTEMS

IEEE Transactions on Parallel and Distributed Systems publishes the latest research relating to parallel and distributed systems such as models of computation, data-intensive parallel algorithms, scalability of algorithms, and data structures.
